The **Sunshine Coast Hockey Association** is now offering various sponsorship packages for the current season.

The facility has high usage during the winter including but not limited to:

**Mondays** – School Sport and Association Representative teams training and Masters competition in the evenings

**Tuesday to Thursday** – School Sports and Association Representative teams training, Masters training, six affiliated club teams training

**Friday to Sunday** – Association competitions and introductory Hooked in2 Hockey carnivals.

During the winter season we have the opportunity to host hockey tournaments ranging from one-day inter-regional competitions such as Wide Bay, Coulter Shield and Southern Cross in various age groups (from U13-Masters) as well as Hockey Queensland State Championships for age groups U13 to Masters that can span from a three day to a five day tournament. These tournaments are rotated around the State each year to allow fairness in hosting rights.
